Few people can say they have devoted a quarter of a century to serving their country, first as Chief Minister of Gujarat and then as Prime Minister of India.

I know how deeply you care about India and its future, and the world can see how high you have raised India. I wish you many more years of good health, strength and success in serving the great Indian people.

To Prime Minister [@narendramodi](#), An avatar of our times

FROM THE ARTICLE:

“Later, as I reflected on what I had said, the answer became clear. I had been right to see PM Modi as an avatar of Vishnu... He has not only given India a destination. He has inspired Indians to believe in that vision and to work towards it.”

On behalf of the Government and people of the Federal Republic of Nigeria, and on my own behalf, I extend warm and fraternal congratulations to His Excellency Shri Narendra Modi [@narendramodi](#), Prime Minister of the Republic of India, on a truly historic milestone.

Today, 7 October 2026, marks 25 years since he first assumed office in 2001 as Head of Government and Chief Minister of Gujarat.

His public service has continued without interruption. After more than twelve years serving the people of Gujarat, he has remained Prime Minister of the Republic of India since 2014.

A quarter-century of unbroken leadership is a rare achievement in any democracy. In the world's most populous nation, it is a powerful testament to the enduring confidence the Indian people have placed in him.
