Nari Shakti

Bank accounts, gas, self-help groups and higher education — women's share has risen on every indicator; the 26-week paid maternity leave is among the longest in the world.

The infographic displays 10 key women's empowerment initiatives in India, each with a progress bar and data points. The initiatives are arranged in a grid-like fashion, with each row representing a different program. The progress bars are orange, and the data points are shown in a mix of bold and regular fonts. The initiatives include: Paid maternity leave (increased from 12 to 26 weeks), Women in self-help groups (increased from 2.35 crore to more than 10 crore), Sukanya Samridhi accounts (increased from zero to 4.53 crore), Lakhpati Didi (increased from zero to more than 3 crore), Ujjwala connections (increased from zero to 10.57 crore), Enrolment of young women in higher education (increased from 22.9 to 31.2), and Women's reservation in the Lok Sabha and Assemblies (became law, one-third of the seats). The infographic uses a color palette of orange, grey, and white, with a clean, modern design.

Initiative	Then	Now	Change
Paid maternity leave	12 weeks	26 weeks	+2.2
Women in self-help groups	2.35 crore	More than 10 crore	+4.3
Sukanya Samridhi accounts	No scheme existed	4.53 crore	From zero
Lakhpati Didi	Initiative did not exist	More than 3 crore	From zero
Ujjwala connections (in women's names)	No scheme existed	10.57 crore	From zero
Enrolment of young women in higher education (out of every 100)	22.9	31.2	+36%
Women's reservation in the Lok Sabha and Assemblies	No provision existed	One-third of the seats (law of 2023)	Became law
